

SOCIAL ACTION

DO YOU WANT TO MAKE A DIFFERENCE TO YOUR COMMUNITY?

We know how important it is to help provide assistance to our communities at this time.

We have seen some fantastic evidence of this so far!

Volunteering to shop for neighbours

Creating rainbow displays in windows

Donating to foodbanks in the community and when shopping for groceries

Can YOU make a difference? Your idea may be a way to keep people active, use social media, or thank the NHS and our key workers. Whatever it is, we want to hear from you and we want to help make this happen. Send us your ideas, using the planning sheet below, answering all of the questions.
