

Roary's Diary: Chapter two

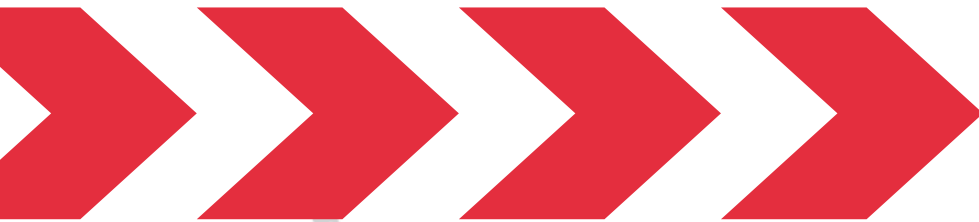

Hello everyone,

It's me again, thank you so much for your help with my diary entry last week. You were super helpful!

This week, I need to go and collect my groceries and pick up some fruit and vegetables.

Can you help me?

Roary's Diary

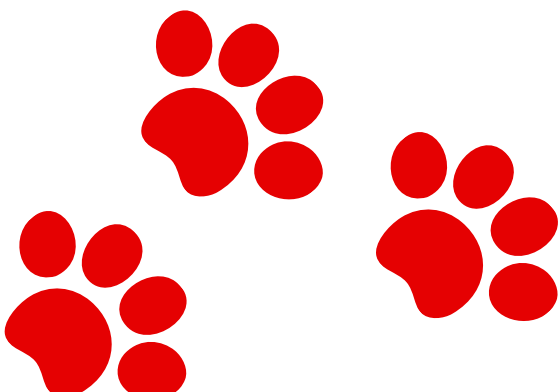

Tuesday 20th April 2020

Today I am going to the supermarket to buy some fresh fruit and vegetables. Here is my shopping list:

Bananas x5	(23p each)
Apples x5	(31p each)
Box of Grapes x2	(58p per box)
Mango x1	(70p each)
Pineapple x3	(32p each)
Tomato x4	(6p each)
Cucumber x4	(19p each)
Avocado x2	(42p each)
Potato x2	(11p each)

I have done some online research, and I now know the prices of each of the items. But I am having some trouble working out how much I will need.

Can you help Roary work out how much he will need to take him to the supermarket?

Thank you so much for your help with that. To make my trip easier, I have drawn a map of the supermarket, with instructions on where all of my items are. Can you help me collect them all?

Now for a little bit of fun!

If you could go to the supermarket, what would be on your shopping list? You can buy anything that you want! If you really wanted to challenge yourself, you could research some prices online, and give yourself a budget!
