Literacy Challenge

Scenario – you are MFC captain of the 2004 Cup Final team. It is 10 minutes before kick-off and it's your turn to deliver a team talk to inspire the players to lead the town to victory!

Challenge – write your team talk for the Boro players.

Example -

'This is our opportunity to write ourselves into the history books and into the hearts of the people of Teesside. We have 90 minutes to give everything we have to bring that Cup home. We have, no - we must, win every tackle and be first to every ball! Dig deep to find that extra ounce of energy and heart we need to win this game today. Can you picture us lifting that cup? Imagine how proud you will feel going back to your families and communities as a cup winner, with your cup winners' medal shining proudly on your chest. We can do this! We are a team. We are one. We are Middlesbrough FC and we're going to win the cup today. For the people of Teesside, let's go!'

Don't forget to share your work with us!
