DRAGON'S DEN

It is time for you to become your own boss!

Your task is to design a new shop for your local community, it can sell anything. You must create a name for your shop and design a plan for what it will look like.

You may want a treat table located at the front door to hand out free sweet treats for customers as they enter. The possibilities are endless!

Use the space above to design your new shop and don't forget your sign for outside!
